Refworks Citation Manager

1. To add Refworks Citation Manager in Word: click on the tab Insert, then click on Store.
2. Type Refworks in the search box and click on Add.
3. Log in to your Refworks account to the right. N.B. If you have several accounts, be sure to use the correct log in information.
4. When you’re logged in to Citation Manager you can start using the references you’ve collected on your account.
